- Health Assistants
- Ward Clerks/Porters

We are able to provide total recruitment solutions to both in-house and outsourced functions. We are also able to provide candidates for medico-legal roles.

Candidates

Our Candidate Commitment – We Will:

- Pro-actively seek out career opportunities for you
- Actively market you to clients
- Be your coach and counsel in your job search
- Listen, learn and understand your aspirations and goals
- Match your strengths and skills to the best roles available
- Save your time
- Market your transferable skills
- Communicate with you regularly
- Give you honest and open feedback
- Help you navigate your career path

These are our commitments to you, our candidate. Quite simply our aim is to match you with a role that meets your career goals and aspirations and allows you to progress professionally and personally, whether that's a temporary or permanent role – each role is an experience! Talk to our Consultants about your goals and we'll do our best to help you achieve them.

“You have been my best agents by far and I have recommended you to a number of my friends.”

Jonine Nash, Candidate

“When I’ve required short notice high calibre medical staff, TPP have sourced, screened and procured them quickly and efficiently. A highly recommendable recruitment agency.”

What do we do for you?

Our Clients

We work with a diverse range of private & public sector clients including large NHS practices and private hospital groups. We offer a complete contingency service for all medical recruitment requirements. Our relationship with many of our larger clients has been developed to the point that we enjoy preferred supplier status, reflecting our in-depth knowledge and understanding of their recruitment needs and ability to regularly meet and exceed their expectations.

Each candidate we provide is fully interviewed, tested (testing includes EMIS for Medical Support roles) and referenced prior to any placement. Our services to clients include advertising, advice on salaries, bespoke testing, in depth registering and interview.

Candidate Sourcing – widening the net, narrowing the field

Via our powerful database which holds over 5,000 active candidates with medical experience, and by targeting new candidates using traditional and new media solutions, we can reach a wider, yet more targeted audience, bringing you the best candidates.

Other sourcing solutions include:

- Retained search
- Media planning and buying
- Direct mail – white mail and e-shots
- Sector networking and events
- Referral and incentive programmes
- Online job boards and postings to the TPP website (currently attracting hundreds of new job hunters every month)

TPP Medical have over 10 years experience sourcing specialist staff for Private, NHS and Third Sector clients

Clients

Our Client Commitment – We Will:

- Listen to and understand client needs
