

Recruitment

TPP are offering an exciting FREE service to help you fill all your volunteer vacancies.

Volunteers are vital to the third sector. However, it can be difficult for would-be volunteers to know how to approach an organisation and for non-profits to find these special individuals.

That is where TPP can help. We will advertise your volunteer role for FREE, expanding the reach and potential target audience for your vacancy. Potential volunteers apply directly to you.

Roles are advertised on:

- our website, www.tpp.co.uk (which receives over 50,000 visits per month)
- our dedicated @TPPVolunteers Twitter feed
- the CharityJob website

This is a completely free service offered by TPP as part of our [TPP Giving Back](#) programme.* As an organisation working with the third sector, we wish to give something back and show our support for the charities we represent.

If you wish to advertise volunteer opportunities with our organisation or have any further questions relating to this, please email: volunteers@tpp.co.uk

*Please note: should you offer any candidate we have forwarded paid employment within 6 months of the date of our introduction, our normal terms of business will apply. This will be subject to a reduced intro fee. We will not be responsible for the quality of the applicant or any screening (eg interviewing, skill checks, references etc).
